

The image displays three groups of overlapping squares, each with a thin black border. The first group on the left consists of three yellow squares, with the central one labeled 'K=1'. The middle group consists of three red squares, with the central one labeled 'K=2'. The third group on the right consists of three blue squares, with the central one labeled 'K=3'. In each group, the squares are offset from each other to show the overlap. The labels 'K=1', 'K=2', and 'K=3' are centered within their respective squares in a black, sans-serif font.

K=1

K=2

K=3
